Name of the Club/ Cell:	FACULTY DEVELOPMENT PROGRAMME 
About the Club/ Cell:	A Faculty Development Programme (FDP) is a structured initiative to enhance educators' skills, knowledge, and teaching effectiveness through workshops, training, and research, focusing on modern pedagogy, technology (like AI), research skills, and holistic growth to improve student learning and meet institutional goals. These programs keep faculty updated on current trends, foster innovation, and build a strong academic environment.
Objective:	Improve teaching–learning methodologies Update faculty on recent developments in their subject areas Strengthen research, publication, and innovation skills Promote use of ICT, digital tools, and e-learning platforms Support career growth and academic leadership

Special Programmers: Last Five Years (2019-2025)

S. No.	Date	Title of the Programme	No. of Beneficiaries	Brief about the Programme
1	06.07.2019	Visualize Your Habits	63	Visualize Your Habits” is a reflective and skill-oriented Faculty Development Programme designed to help educators recognize, map, and intentionally reshape daily habits—both personal and professional—using visualization techniques. The programme blends psychology, goal-setting, and practical tools to support sustained positive behavior change.
2	12.08.2019	Analysis on NAAC Accreditation process	60	The National Assessment and Accreditation Council (NAAC) is an autonomous body established by the University Grants Commission (UGC) to assess and accredit Higher Education Institutions (HEIs) in India. NAAC accreditation is a quality assurance mechanism that evaluates institutions on academic, administrative, and infrastructural parameters.
3	20.03.2020	A Preventive Measure From CORONA	72	The Faculty Development Programme on “COVID-19 – Preventive Measures from Corona” is designed to create awareness, preparedness, and responsible behavior among faculty members regarding the prevention and control of COVID-19. The programme emphasizes scientific understanding, personal safety, workplace precautions, and institutional preparedness to ensure a safe academic environment.

4	29.04.2020	Education On Emergencies : Online Teaching and Learning Strategies	52	“Education in Emergencies: Online Teaching and Learning Strategies” focuses on equipping educators with the knowledge, skills, and digital pedagogy tools required to ensure continuity of education during emergencies such as pandemics, natural disasters, or other disruptions. The FDP emphasizes technology-enabled teaching, learner engagement, assessment, and inclusivity in virtual learning environments.
5	20.06.2020	Dimensions of Human Personality & Guidelines for actualizing the Potentials for Success	54	The Faculty Development Programme on “Dimensions of Human Personality & Guidelines for Actualising the Potential for Success” aims to help educators understand the multi-dimensional nature of personality and apply practical strategies to unlock personal and professional excellence. The programme integrates psychology, emotional intelligence, values education, and goal-setting to support holistic growth
6	28.08.2020	Be Inspiring	58	In today’s rapidly changing educational environment, faculty members play a crucial role not only as knowledge providers but also as inspirers and mentors. The FDP on “Be Inspiring” is designed to help educators rediscover their inner motivation, enhance their teaching impact, and positively influence students’ academic and personal growth.
7	19.09.2020	Function of IQAC	13	Functions of IQAC is designed to enhance awareness among faculty members about quality assurance mechanisms in higher education institutions. The programme focuses on strengthening institutional performance through systematic planning, implementation, and evaluation of academic and administrative activities.

8	02.10.2020	Introduction To Photoshop & Designing Invitation & Brochures Using Photoshop	65	Photoshop Design aims to provide basic knowledge and practical skills in creating visually appealing academic materials. The programme introduces faculty members to essential tools and techniques of Adobe Photoshop for effective visual communication.
9	23.10.2020	Orientation Programme on Professional English	43	Professional English is designed to enhance faculty members' proficiency in English for academic, professional, and workplace communication. The programme focuses on improving language accuracy, confidence, and effectiveness in both written and oral communication.
10	03.12.2020	Teaching and Learning Practices A Paradigm Shift	54	Teaching and Learning Practices: A Paradigm Shift focuses on transforming traditional teacher-centered approaches into learner-centered, outcome-based, and technology-enabled practices. The programme highlights the evolving role of teachers as facilitators, mentors, and innovators in the modern education system.
11	07.06.2021	Conquer The Harmony	57	Conquer the Harmony focuses on helping faculty members achieve balance, inner peace, and harmony in their personal and professional lives. The programme emphasizes the importance of emotional well-being, positive mindset, and harmonious relationships for effective teaching and career growth.
12	19.01.2022	Pedagogical Approaches and practices- Transformation of a Good Teacher to a Great Teacher	57	The pedagogical transformation from a good teacher to a great teacher emphasizes a shift from content delivery to inspiring, engaging, and transforming learners. While a good teacher imparts knowledge effectively, a great teacher motivates students to think critically, learn independently, and apply knowledge meaningfully.

13	18.02.2022	How to Buy and Sell Shares in Stock Exchange	77	Buying and selling shares in the stock exchange is a simple and systematic process carried out through recognized exchanges like the National Stock Exchange and the Bombay Stock Exchange.
14	02.05.2022 & 03.05.2022	NLP Techniques for effective Teaching	59	Neuro-Linguistic Programming (NLP) techniques help teachers improve communication, motivation, and student engagement by understanding how learners think, feel, and respond. Applying NLP in teaching makes learning more interactive, positive, and outcome-oriented.
15	16.06.2022	Banking as Financial Super Market	64	Banking as a Financial Supermarket refers to the modern role of banks in offering a wide range of financial products and services under one roof, similar to a supermarket that provides multiple goods at a single place. Today's banks go beyond traditional deposit and lending functions to meet diverse financial needs of customers.
16	30.11.2024	Balancing work and life for Overall Well-Being	62	Work-life balance refers to maintaining a healthy harmony between professional responsibilities and personal life to support physical, mental, and emotional well-being. A balanced life helps individuals stay productive at work while enjoying meaningful personal time.
17	03.12.2024	Most Important 21 st Century Skills for Teachers- Adopting To New Challenges	55	In the rapidly evolving educational landscape, teachers must develop 21st century skills to effectively respond to new challenges and prepare students for a dynamic, technology-driven world. These skills enable teachers to transform classrooms into engaging, inclusive, and future-ready learning spaces.

18	13.12.2024	NET Preparation: Tools, Tips and Techniques	42	Preparing for the NET (National Eligibility Test) requires a smart study plan, right tools, and consistent practice. Using effective preparation techniques helps candidates manage time, reduce stress, and improve performance.
19	19.07.2025	Education Tools Powered by artificial Intelligence	71	Artificial Intelligence (AI)-powered education tools are transforming teaching and learning by making education more personalized, efficient, and interactive. These tools support teachers and students by automating tasks, enhancing engagement, and improving learning outcomes.
20	26.07.2025	Wellness Within	72	Understanding the concept of inner wellness and self-care. Managing stress, anxiety, and work-related pressure. Mindfulness, meditation, and relaxation techniques. Emotional intelligence and self-regulation. Building resilience, positivity, and self-motivation. Balancing professional responsibilities with personal well-being
21	02.08.2025	Investors awareness Program	62	The FDP enables faculty members to make informed investment decisions and effectively disseminate investor awareness knowledge among students and the wider community
22	20.12.2025	Achieving Excellence:Empowering Affiliated Colleges for Binary Accreditation, MBGL Levels and NEP 2020 Transformation	44	Understanding the concept of inner wellness and self-care.Managing stress, anxiety, and work-related pressure.Mindfulness, meditation, and relaxation techniques.Emotional intelligence and self-regulation.Building resilience, positivity, and self-motivation.Balancing professional responsibilities with personal well-being

FDP CO-ORDINATORS:

- Mrs.P.MOHANAPRIYA - DEPARTMENT OF COMMERCE
- Mrs.M.SOWMI SELVANAYAGI- DEPARTMENT OF ENGLISH
